

2016 Healthy Kids, Healthy Families® Programs

Organization	Project Title	Program Summary
A Safe Haven Foundation Chicago, IL http://www.asafehaven.org	Building Healthy Foundations	The Building Healthy Foundations program addresses the root cause of homelessness with a goal to improve health outcomes for homeless children and their families. Home visitors and an on-site team of health professionals provide families with access to health and wellness resources such as developmental assessments; health care screenings; access to primary health care; behavioral health counseling; chronic disease management; and substance abuse treatment.
Abrazos Family Support Services Bernalillo, NM http://www.abrazosnm.org	Community-Based Health and Wellness Programs for Children with Disabilities	Abrazos has two programs funded by this grant. One program is for infants and toddlers with developmental delays/disabilities and the other is a recreational respite program for children diagnosed with Autism Spectrum Disorder. The long term goal of both programs is to provide opportunities for children with developmental delays/disabilities to engage in healthy activities in their community and help the families learn ways to support their children's overall health and well being.
Access Community Health Network Chicago, IL http://www.accesscommunityhealth.net	Reducing Food Insecurity to Improve Health	The goal of the proposed program is to reduce food insecurity's impact on patient health by building a sustainable program that identifies patients experiencing food insecurity; links them to existing food resources; and uses proven evaluation tools to maximize resources and impact.
Adler School of Professional Psychology Chicago, IL http://www.adler.edu	The Chatham Project	The Chatham Project will help reduce health disparities and improve health and academic outcomes by providing evidence-based psychotherapy services (social-emotional learning) to minority, low-income, at-risk children on Chicago's south side. Adler University (Adler) will provide services to students, families, teachers, and Chatham community members. Adler will also evaluate program effectiveness (and the use of a new mobile "app" to gather input from participants) and the impact on the youth, families and the Chatham community.
Albuquerque Health Care for the Homeless Albuquerque, NM http://www.abqhch.org	Assertive Outreach to Homeless Children, Youth and Families	This program ensures that families, youth and children living without homes will receive necessary access to care in an integrated, collaborative and innovative outreach model that will find families where they are. Services will link out-of-service families to integrated health care, including primary, dental and behavioral health, emergency motel/hotel shelter, permanent supportive housing, food, social supports, transportation and community-building spaces for art making.
Alliance Of Filipinos For Immigrant Rights And Empowerment Chicago, IL http://www.afirechicago.org	Healthy Heart Healthy Family Activity Groups	This program will develop activity groups using culturally relevant, peer-led education that encourages holistic health activities and supports the leadership development of Filipino seniors citizens to achieve better health outcomes.
American Diabetes Association Dallas, TX http://www.diabetes.org	Fabulous YOU!	The science-based, culturally relevant "Fabulous YOU" program improves health outcomes in at-risk women living in under-served, low-income communities in Dallas and Houston through interactive learning experiences that encourage healthy-lifestyle behavior change, resulting in improved A1C, blood pressure and weight.
American Lung Association of the Upper Midwest Springfield, IL http://www.lungil.org	Enhancing Care for Children with Asthma in Illinois, Montana, Oklahoma, New Mexico and Texas.	The partnership has spanned five years and engaged 121 health centers that serve high-risk populations. The program has reached an estimated 435,545 people and patients with asthma are showing a 50% reduction in avoidable emergency-related visits because of better managed asthma.
Asian Health Coalition of Illinois Chicago, IL http://www.asianhealth.org	Mending the Safety Net: A Community-Clinic Collaboration to Improve Access to Ambulatory Care for Underserved Asian Americans	Mending the Safety Net: A Community and Clinic Collaboration to Improve Access to Ambulatory Care is the first clinic-community collaboration in Chicago's Asian communities. Funding will help create sustainable and effective partnerships between community-based organizations and community health clinics to improve access to preventive and chronic ambulatory care services.

AVANCE, Inc. Las Cruces, NM http://www.avance.org	Nino Sanos-Futuros Brillantes (Healthy Children-Bright Futures)	AVANCE-NM targets hard-to-reach families who face multiple barriers to success that go beyond poverty and illiteracy -- particularly those living in the substandard conditions of the colonias. By providing parenting education and a strong support system, AVANCE aims to empower parents to provide the best possible home environment for their child; practice nurturing parenting styles; and break free from poverty and isolation.
Billings Clinic Foundation Billings, MT http://www.billingsclinic.com/foundation	Montana Project ECHO	The Montana Project Echo is a delivery of peer-to-peer support to school-based health services on the Fort Peck Indian Reservation , the MT Department of Corrections, and primary care clinicians practicing in rural, eastern Montana communities. This project will help improve assessment for adults, school-aged children, and offenders with behavioral and mental health, addictions and substance abuse disorders and create a path to sustainability.
Boys & Girls Club Of Wilson Inc Wilson, OK http://www.cartercountybgc.org	Triple Play	The goal of Triple Play is to improve Club members' knowledge of healthy habits, good nutrition and physical fitness; increase the number of hours per day they participate in physical activities; and strengthen their ability to interact positively with others and engage in healthy relationships.
Boys And Girls Club Of Harlingen Harlingen, TX http://www.mybgchkids.com	Triple Play	Triple Play develops a game plan for the Mind, Body, and Soul. It is a program that teaches youth to make healthier choices. This nationally based program takes a holistic approach to educating boys and girls about good nutrition; making physical fitness a daily practice; and developing individuals strengths and good character.
Brazos Valley Food Bank Bryan, Texas http://www.bvfb.org	Children's Backpack Program	Brazos Valley Food Bank's (BVFB) Backpack Program strives to meet the needs of hungry children in the Brazos Valley by providing them with nutritious, easy to prepare food to take home on weekends and school vacations when other food resources are not directly available to them. BVFB's Backpack Program serves 35 schools and six summer sites.
Bridge Teen Center Nfp Orland Park, IL http://www.thebridgeteencenter.org	Healthy Living Programs for Teens	The Bridge Teen Center's Healthy Living Programs help teens develop and maintain healthy minds and bodies and promote overall wellness. Healthy Living Programs are "beginner" programs designed specifically for teens to increase self-image, provide outlets for stress and educate students about making better dietary choices.
CAN DO Houston Houston, TX http://www.candohouston.org	HEAL to Health: Innovative & Sustainable Solutions to Community Health	This grant will help expand and connect innovative and community-driven initiatives that promote healthy eating and active living in underserved neighborhoods where low income residents face major educational and environmental barriers to adopting healthy lifestyles. CAN DO Houston will use a comprehensive approach to maximize impact, sustainability and behavior change through unified and collaborative efforts tailored to the needs of each community.
Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	Dental Outreach Van	This grant will help improve dental health among elementary-age children, helping to build a foundation for lifetime wellness. A new Dental Outreach Van for the Southeast region of Texas will be used to transport equipment to pre-schools and elementary schools to provide free onsite services.
Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	Statewide Outreach Operations	This grant will help expand and establish relationships with several Independent School Districts by offering health outreach to students through school-based efforts which will improve health outcomes for Texas children.
Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	Greater Houston School-Based Influenza Initiative	This initiative will provide immunizations and preventative care services to uninsured or medically underserved children. Funding will be used to reach more than 5,500 children in the Greater Houston region.
Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	El Paso School-Based Influenza Initiative	This initiative will provide immunizations and preventative care services to uninsured or medically underserved children. Funding will be used to reach more than 6,500 elementary school students in Anthony, Canutillo, Clint, Fabens, Socorro and Tornillo Independent School Districts.
Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	School-Based Health & Wellness Education Initiative	This initiative seeks to improve the health and wellness of children living in El Paso County through school-based education to include nutrition education, tobacco awareness and prevention, disease prevention and personal hygiene.

Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	Dallas/Fort Worth School-Based Influenza Initiative - Fall 2016/Spring 2017	This initiative will provide immunizations and preventative care services to uninsured or medically underserved children. Funding will be used to reach more than 6,000 children in Dallas/Fort Worth area schools.
Casa De Peregrinos Inc Las Cruces, NM http://www.casadeperegrinos.org	Rural Food Initiatives Program	The Dona Ana County Rural Food Initiative operates in 12 colonies in Dona Ana County, bringing a distribution of an average of 80 pounds of nutritious food: fresh produce, staples, good sources of protein and other available products on a monthly basis to low income rural families.
CATCH Global Foundation Austin, TX http://www.catchinfo.org	Oklahoma City CATCH Coordinated School Health Initiative	The CATCH Coordinated School Health grant will provide physical activity and nutrition education and build capacity for creating and sustaining a healthy school environment for 3,500 predominantly minority and economically disadvantaged K-8 students in the Oklahoma City Public School District.
CATCH Global Foundation Austin, TX http://www.catchinfo.org	Ysleta ISD CATCH Coordinated School Health Initiative - Phase 2	The Ysleta ISD CATCH grant will provide physical activity and nutrition education and build community capacity for creating and sustaining healthy environments for 11,000 predominantly Hispanic and economically disadvantaged elementary and middle school students in Ysleta ISD.
Center on Halsted Chicago, IL http://www.centeronhalsted.org	Homeless Youth Case Management	Center on Halsted's (COH) Youth Program seeks to support Chicago's homeless lesbian, gay, bisexual, transgender and queer youth community ages 13 to 24 by providing case management and linkage to healthcare and wellness programs. COH staff will support unstably-housed young people by providing youth with case management and wraparound services.
Central Oklahoma American Indian Health Council Inc Oklahoma City, OK http://www.okcic.com	Oklahoma City Indian Clinic CARES Capital Campaign for Pharmacy Expansion	Expansion of the OKCIC pharmacy will allow staff for one-on-one patient or caregiver consultations concerning medication education. Families are informed of the proper and safe use of medicines. The convenience of the drive-through pharmacy will benefit elderly patients, families with young children and patients with limited mobility.
Central Texas Food Bank Austin, TX www.centraltexasfoodbank.org	Food Bank Operating Support	These funds will support the general operating expenses of Capital Area Food Bank of Texas, the largest hunger relief organization in the Central Texas region and will provide 120,000 meals for hungry families in the community.
Chapin Hall Center For Children Chicago, IL http://www.chapinhall.org	Chicago Behavioral Health Capacity Planning for Children and Youth	This grant will support a pilot program to help Chicago Public Schools develop greater capacity to provide mental health and social-emotional learning related services to children, youth, and families in Chicago by enabling more community based organizations to provide such services in school settings.
Chicago Botanic Garden Glencoe, IL http://www.chicagobotanic.org	Windy City Harvest Food as Medicine	The Food as Medicine partnership between the Chicago Botanic Garden and Lawndale Christian Health Center will increase the availability of fresh produce in food-insecure communities; educate low-income youth and patients with diet-related illnesses about nutrition and healthy living; engage physicians in nutrition education and a VeggieRx program; and train 250 individuals in sustainable urban agriculture while placing 40 people in jobs.
Chicago Commons Chicago, IL http://www.chicagocommons.org	The Family Hub Health and Wellness Project	The Family Hub wellness program promotes activities to increase physical exercise, teach stress reduction techniques and encourage healthy eating and lifestyles for families. Through focus on family engagement activities and working across multiple generations within the family, the Family Hub is impacting the health of current and future generations in some of Chicago's most poverty stricken neighborhoods.
Chicago Run Chicago, IL http://www.chicagorun.org	Running Mates	The Chicago Run grant will support Running Mates, an after-school program that utilizes sports to improve health and fitness, promote community-building, and build self-esteem and youth leadership in a safe and positive atmosphere during the 2016-2017 school year.
Children's Grief Center of New Mexico, Inc. Albuquerque, NM http://www.childrengrief.org	Bereavement Support Groups Programs	The Children's Grief Center of New Mexico grant will support 25 bereaved youth with a year of grief support services.

Ann & Robert H. Lurie Children's Hospital Of Chicago Chicago, IL http://www.luriechildrens.org	Juvenile Justice Collaborative	Strengthening Chicago's Youth (SCY) is convening youth service providers and government stakeholders in Cook County to lead the development of a new care coordination model for justice-involved youth to minimize further involvement in the justice system and reduce racial disparities by facilitating and coordinating access to comprehensive developmentally-appropriate services.
Childrens Advocacy Centers Of Texas Inc Austin, TX http://www.cactx.org	Launching a Strategic Vision for Children's Advocacy Centers in Texas	This grant will support the 69 Children's Advocacy Centers (CAC) across the state implementing a strategic, data-based approach to addressing gaps in services to child victims of abuse and ensure that all children within CAC case criteria have access to the full array of services provided at the highest standard of care.
Community Food Bank of Eastern Oklahoma Inc. Tulsa, OK http://www.okfoodbank.org	Clinic Based Food Pantry Program and Rural Multi-Stop Mobile Pantry Pilot	This grant will help improve the health of low-income families who are at risk of hunger by expanding Mobile Pantries in rural counties in eastern Oklahoma, and it will also improve the health of low-income individuals and families who are suffering from chronic health problems by providing fresh and healthy foods at their monthly doctor visits.
Community Service Council and Child Care Resource Center Tulsa, OK http://www.csctulsa.org	Healthy Women, Healthy Futures Oklahoma	Funds will support this initiative to improve the physical, emotional, vision and dental health of women living in poverty so that they and their children will experience the best possible birth outcomes.
Concho Valley Regional Food Bank Of Texas Inc San Angelo, TX http://www.conchovalleyfoodbank.org	Food 2 Kids Program	The Food 2 Kids program ensures that children do not go hungry on the weekend. The Concho Valley Regional Food Bank of Texas, Inc. serves approximately 1,100 children through this program. The simple objectives are to provide the identified children with a take home sack of food on Friday of each week for 35 weeks of the school year.
Crime Stoppers Of Houston Inc Houston, TX http://crime-stoppers.org	Safe School Program	The Safe School program provides students and staff with a safe and anonymous way to report crime and potential dangers on their campus. Crime Stoppers of Houston offers safety programs to students, school staff, parents and law enforcement at no cost. The program educates students from Pre-Kindergarten through high school in 26 Greater Houston school districts, private schools, charter schools and other youth centered establishments.
Cuidando Los Ninos Inc Albuquerque, NM http://www.clnkids.org	Achieving Healthy Behaviors in Homeless Families	Achieving Healthy Behaviors in Homeless Families addresses enhanced health education for physical and behavioral well being; increased physical fitness; and increased family services support for families who are homeless with young children. This program aligns with the dual education, two generation, education program offered by CLNkids.
Dallas Concilio Dallas, TX http://www.theconcilio.org	Healthy Kids, Healthy Families	The Dallas Concilio's Healthy Kids, Healthy Families program is a community-based intervention aimed at reducing the risk of obesity, primarily in Hispanic communities in Dallas County. Through this program, 725 parents and children will learn the importance of increased physical activity, improved nutrition and modeling positive health behaviors.
Domestic Violence Intervention Services, Inc. Tulsa, OK http://www.dvis.org	Parent Child Interaction Therapy Equipment for Children's Therapeutic Counseling Program	This grant will help support Parent Child Interaction Therapy (PCIT), an empirically supported treatment for conduct disorder in young children that places an emphasis on improving the quality of the parent-child relationship and changing the parent-child interaction patterns.
El Buen Samaritano Episcopal Mission Austin, TX http://www.elbuen.org	El Buen Samaritano	El Buen Samaritano provides integrated primary care and behavioral health services to Austin's low-income Latino population in a culturally competent setting. Recognizing that good health doesn't begin in the exam room, broad literacy, health education and supplemental nutrition services to address the multiple factors influencing health and well-being are also provided.
El Centro de Corazon Houston, TX http://www.elcentrodecorazon.org	Reducing Diabetes Risks for the Whole Family	The Reducing Diabetes Risks for the Whole Family project addresses diabetes prevention and management and nutritional and behavioral management support for patients at risk or affected by diabetes.

El Pasoans Fighting Hunger El Paso, TX http://www.elpasoansfightinghunger.org	Healthy, nutritious food for children and families	El Pasoans Fighting Hunger Food Bank will enhance the nutritional status of families and children by procuring healthy, nutritious food (especially produce) and distributing it through mobile pantries, mobile pantries at schools, and at school pantries. The grant is intended to provide meaningful assistance to families and children most vulnerable in the El Paso community.
Emergency Infant Services Tulsa, OK http://www.eistulsa.org	Food and Formula Project	The Food and Formula program's goal is to ensure Tulsa's impoverished children have immediate access to nourishment, the most basic of needs. These items are essential for the well-being of children and lack of access to them can cause serious harm, both in the short and long term.
Erie Neighborhood House Chicago, IL http://www.eriehouse.org	Erie House's Super H: Healthy Kids, Healthy Families programs	Erie House's Health and Leadership Programs promote a culture of health and encourages participants to become leaders in the movement for overall well-being. The Super H programs provide children, youth and parents with health and wellness education and experiences resulting in improved community health outcomes.
Family Healthcare Clinic Bartlesville, OK http://www.familyhealthcareclinic.org/	Access to Care, Cancer Prevention and Teen Pregnancy Prevention	This program offers affordable health care, low-cost cancer screenings and free mammograms and abstinence based teen pregnancy prevention programs taught at two local middle schools.
Family Place Inc Dallas, TX http://www.familyplace.org	Safe Campus Clinic	This grant supports the collaboration between The Family Place and UT Southwestern Medical School to provide clinical services for homeless women and children victims of family violence living at Family Place's Safe Campus and provide learning experiences for medical students and residents.
Fields & Futures Foundation Edmond, OK http://www.fieldsandfutures.org	2016-2017 Program Sponsor	This funding supports grassroots education and outreach to help educate communities and families about the benefits of organized athletics, encouraging student participation and neighborhood support, while providing professional development and resource support for over 250 Oklahoma City Public School coaches.
First Choice Community Healthcare Inc Albuquerque, NM http://www.fcch.com/	South Valley Commons Wellness Initiatives	First Choice Community Healthcare will provide a subsidized Community-Supported Agriculture program and monthly healthy cooking classes to patients. The goal is to provide affordable access to fresh fruit and vegetables, and interactive cooking classes to equip families with the information they need to make healthier choices.
Food Bank of Abilene, Inc. Abilene, TX http://www.fbwct.org	Expansion and Start-Up of Backpack Program	This grant will fund 40 new participants in the Backpack for Kids Childhood Hunger Program which provides weekly backpacks of healthy, nutritious, child-friendly foods to 1,240 chronically hungry children who return home on weekends to bare cupboards. Children will receive seven pound bags of food every Friday and before school holidays throughout the typical 36-week school year.
Food Bank of Eastern New Mexico Inc Clovis, NM http://www.foodbankenm.org	Direct Nutrition Food Programs	The Food Bank of Eastern New Mexico is meeting immediate food needs but also working to address systematic change that will aid families and individuals in poverty. The Food Bank is adding health councils, human service organizations and nutrition educators to its network of partners to fight hunger while also promoting health in rural eastern New
Food Bank Of The Rio Grande Valley Inc Pharr, TX http://www.foodbankrgv.com	Food Bank RGV: Moving Our Mission Forward	This grant will support general operations that will allow the Food Bank of the Rio Grande Valley to receive, store, inventory and distribute more than 20 million pounds of food on an annual basis.
Food Depot Santa Fe, NM www.thefooddepot.org	Mobile Food Pantry Program	The Food Depot's mobile food pantry program provides nutritious food to rural, isolated communities where there are high rates of hunger and poverty. The program engages the community by requiring community volunteers to organize and execute the food distribution. The program serves as an opportunity to develop partnerships with health care centers to provide health care screenings, immunizations and health information to underserved communities.
Ford Heights Community Service Organization Inc Ford Heights, IL http://www.fhcsoi.org	Cook County Southland Juvenile Justice Council	This grant will assist in reducing the incidence of youth violence and delinquency. The Southland Juvenile Justice Council will work in tandem with local stakeholders to implement appropriate safe guards that will increase public perceptions regarding community safety, while ensuring access to mental health, trauma and other justice services.

Free Spirit Media Chicago, IL http://freespiritmedia.org	Safe spaces media programming for youth and young adults	The safe spaces media arts programming helps youth build technical media skills, develop social-emotional acumen and access stable college and career opportunities in media. Participants are taught how to be storytellers, video producers and journalists through long-term engagement that leverages strong networks of support and peer-to-peer mentorship.
Galveston County Food Bank Texas City, TX http://www.galvestoncountyfoodbank.org	Healthy Food, Healthy Bodies, Healthy Communities	The Galveston County Food Bank will develop and implement a nutrition education program for both food donors and food bank partnering agencies, with the end result being to improve the nutritious quality of donated foods and the overall health and well-being of Galveston County residents living in poverty.
Gary Comer Youth Center Chicago, IL http://www.gcyhome.org	GCYC Health and Wellness Initiative	The Gary Comer Youth Center's Health and Wellness Project provides a holistic set of health and wellness programming with the goal of increasing healthy eating, physical activity, health and nutrition literacy, social and emotional wellness and youth leadership and civic engagement among its youth and teen members and adults in the greater Grand Crossing community.
Girl Scouts Of Eastern Oklahoma Tulsa, OK http://www.gseok.org	Creating Safe Spaces for Girl Scouts to Take Healthy Risks and Try New Things	Girl Scouts of Eastern Oklahoma is dedicated to creating safe spaces for Girl Scouts to take healthy risks and try new things in a supportive, women-driven environment. The objective is to ensure girls are leading healthy lives while creating positive change in families and their communities.
Greater Chicago Food Depository Chicago, IL http://www.chicagosfoodbank.org	Healthy Kids Market	The Food Depository's Healthy Kids Markets is a school-based pantry providing fresh produce and shelf-stable food to families throughout Chicago. Healthy Kids Markets foster a sense of community and provide an outlet for school outreach to parents not engaged in their children's education, contributing to the betterment of the family's physical and emotional health.
Harold Colbert Jones Memorial Community Center Of Chicago Chicago Heights, IL http://www.jonescenter.org	Healthy Choices	This grant will help sustain and expand the Healthy Choices program offered to community youth and their family members. Healthy Choices utilizes fun, hands-on activities for various age groups to address the issue of health status disparities in the Chicago Heights community.
Houston Food Bank Houston, TX http://www.houstonfoodbank.org	Backpack Buddy program	The Houston Food Bank's Backpack Buddy program provides child-friendly and nutritious food to children at-risk of hunger by discreetly distributing healthy food sacks on Friday's during the school year. This grant will help expand the program to serve more children at additional sites in Houston Food Bank's 18-county service area.
Hra Village Incorporated Texas City, TX http://www.independence-village.org	The Independence Village - "Team Move It"	The Independence Village "Team Move It" will partner with a certified dietician that has experience working with persons with developmental and physical disabilities, and will develop and coordinate a weekly training class with appropriate hands-on activities for Residents to learn about nutrition, healthy food choices and food and health issues.
Institute for Latino Progress Chicago, IL http://idpl.org/	Instituto Scholars Fund and Alta Cocina	This grant will support the Instituto Scholars Fund which supports the common need among low-income students in higher education to fill the crucial gaps that exist between funding sources. In addition, this grant will also support Alta Cocina: A Spring Chefs Gala to benefit the Institute's programs and schools.
International Neighborhood Collaborative Chicago, IL http://www.thedovetailproject.org	The Dovetail Project	The Dovetail Project is a signature fatherhood program for young African American fathers ages 17-24. This project gives young fathers the necessary skills, tools and resources to create safe environments for their children and families.
It's Time Texas Austin, TX http://www.activelifehq.org	Making Healthy Living Easier for Texas Kids and Families	IT'S TIME TEXAS impacts the health of Texas children and families through evidence-based programs and resources. They achieve this by providing and/or connecting people to health-related education; increasing awareness of and access to healthy opportunities; and creating/providing resources for healthier and safer environments.
Jewish Federation Of Metropolitan Chicago Chicago, IL http://www.juf.org/guide/detail.aspx?id=20158	Response Center	Response's prevention education and community outreach goal is to holistically support healthy physical and mental development in teens and young adults and to help equip them to make healthy life choices, reduce risk-taking behaviors and prepare for a healthy and productive future. To achieve that goal, Response provides a comprehensive approach to supporting healthy physical and mental development in youth.

<p>KaBOOM! Washington, DC http://www.kaboom.org</p>	<p>2016 Playground Builds</p>	<p>KaBOOM! playgrounds help increase physical activity and spread the word about the importance of play. Through this grant, eight KaBOOM! playgrounds, five shade structures and two Imagination Playgrounds were built in 2016 serving 7,884 children annually.</p>
<p>Kids' Meals Inc Houston, TX http://www.kidsmealshouston.org</p>	<p>Kids' Meals Summer Feeding Project</p>	<p>Kids' Meals helps to alleviate the burden faced by families who have little means of obtaining meals for their young children on a regular basis due to issues with transportation, hardship and time. This grant will support the Summer Feeding Program providing healthy lunches to 3,800 children each weekday, June-August 2016. Additionally, the grant will support a new partnership with Equal Heart to begin serving breakfast to several children on their routes via neighborhood feeding sites that are within walking distance for our families.</p>
<p>Korean American Community Services Chicago, IL http://www.kacschicago.org</p>	<p>Senior Services and Public Benefits Social Worker □</p>	<p>This grant will expand the service capacity of the Korean American Community Services' (KACS) Public Benefits and Senior Services department in order to meet the needs of a rapidly growing Korean senior population. Through this grant, KACS's looks to increase the access of Korean seniors to the available resources to meet their essential needs.</p>
<p>Lawndale Christian Health Center Chicago, IL http://www.lawndale.org; www.lawndale5k.org</p>	<p>Mobile Health Team</p>	<p>This grant will support the Lawndale Christian Health Center's Mobile Health Team to continue providing medical and mental healthcare services to individuals and families experiencing homelessness within the 10 shelters across the West Side of Chicago.</p>
<p>Los Barrios Unidos Community Clinic Inc Dallas, TX http://www.losbarriosunidos.org</p>	<p>Promotora de Salud Program Expansion</p>	<p>Los Barrios Unidos Community Clinic's Promotora de Salud will help improve patient engagement in primary care and improve health outcomes for low-income Latinos. In the first year of the program, the Promotora will focus on Obstetrics patients, which helps ensure that newborns and family members also have access to health care. Additionally, the Promotora will provide targeted health education and interventions for patients with a diagnosis of severe and persistent asthma.</p>
<p>Marathon Kids, Inc. Austin, TX http://www.MarathonKids.org</p>	<p>Marathon Kids Running Clubs: Catalysts for Change</p>	<p>Marathon Kids takes a long-term, sustainable approach to a healthier, happier lifestyle for every child by empowering leaders and communities, rewarding healthy behavior adoption, and using running clubs as catalysts for change.</p>
<p>Metropolitan Family Services Chicago, IL http://www.metrofamily.org</p>	<p>Nonviolence Chicago - Austin</p>	<p>The Institute for Nonviolence Chicago seeks to replace the cycle of violence with Dr. King's vision of the beloved community using the teachings and principles of nonviolence to significantly reduce group and gang violence in the Austin community of Chicago. The Institute will hire a licensed clinical social worker to oversee the case management and victim services effort while providing key mental health services.</p>
<p>Metropolitan Family Services Chicago, IL http://www.metrofamily.org</p>	<p>Child and Adolescent Mental Health Program</p>	<p>Metropolitan's Child and Adolescent Mental Health program (CAMH) provides comprehensive services for children and youth, ages 3 through 17 years, who face serious emotional and behavioral disorders, and mental illness. CAMH seeks to promote individual growth; strengthen family life; maintain the function of the family; arrest further symptom development; and prevent hospitalization and institutionalization.</p>
<p>Migrant Health Promotion Inc Weslaco, TX http://www.mhpsalud.org</p>	<p>Niños Saludables, Familias Alegres (Healthy Kids, Happy Families)</p>	<p>"Niños Saludables, Familias Alegres" will help increase physical activity levels among youth and families living in colonias and partner with appropriate entities to increase this population's access to physical activities.</p>
<p>Mikva Challenge Grant Foundation Inc Chicago, IL http://www.mikvachallenge.org/</p>	<p>Chicago Youth Health Activism Initiative</p>	<p>The Chicago Youth Health Activism Initiative is a grassroots teen health initiative that engages 470 youth through 40 school-based Youth Wellness Teams across the city. The Teams assess the health environment at their schools, advise school administrators on health policies, educate their peers, and propose and implement solutions to improve their schools' health environment surrounding issues such as nutrition, physical activity, sexual and mental health and other health issues important to young people.</p>

Mission Marshall Inc Marshall, TX http://www.feedingmarshall.org	2016 Healthy Kids, Healthy Families	This grant will enable the Food Pantry to offer healthy and nutritious foods to food-insecure families and individuals in Harrison County.
Montana Conservation Corps Bozeman, MT http://www.mtcorps.org	Youth Program Expansion	The Youth Program Expansion will engage 1,300 Montana teens in outdoor leadership education and volunteer service to help them acquire vital life skills that build a foundation for achieving success; an affinity and aptitude for recreating in the outdoors; and an understanding and appreciation of public service and public lands.
Northern Illinois Food Bank Geneva, IL http://www.solvehungertoday.org	Nutrition Education Program	This grant will help complete development and begin implementation of a Nutrition Education Program, which provides hands-on lessons in preparing nutritious child-friendly recipes from the five food groups. The primary outcome of the program is for children to improve their confidence in eating nutritious food for good health.
OASIS Albuquerque Albuquerque, NM http://www.oasisabq.org	Fit and Free From Falls Program	OASIS Albuquerque serves older adult families in the Albuquerque metro area by promoting and providing a comprehensive Fit and Free From Falls curriculum to include physical activity programs and the evidence-based Matter of Balance program.
OKC Harvest Oklahoma City, OK http://www.okcbeautiful.com	OKC Harvest	This grant will support 25 outdoor classrooms which provide teachers a means to use the gardens in teaching math, science and reading skills as well as focus on health and wellness. Gardens allow the students to learn about fresh foods, the benefits of locally produced food and have physical activity while learning and working in the gardens.
Oklahoma Caring Foundation, Inc. Tulsa, OK http://www.oklahomacaringfoundation.org	Technology System Enhancements	This grant will assist in the purchase of a database system that will enhance reporting abilities and provide data allowing the staff to better serve the communities. The funds will also provide training for staff on the new system and allow for any maintenance or enhancements that may occur within a three year period after initial funding.
Oklahoma Center For Nonprofits Inc Oklahoma City, OK http://www.okcnp.org	Capacity Building for Rural Health Organizations	The Oklahoma Center for Nonprofits will provide capacity building, training and consultation for organizations providing health care services in rural Oklahoma. For the past three years, the Center has provided specialized, concentrated outreach to rural communities, particularly those in underserved areas.
Oklahoma City Boathouse Foundation Oklahoma City, OK http://www.okcbf.org	FitQuest for Kids	FitQuest is a free program using indoor rowing machines and other river sports as a means to make fitness fun and inspire youth to adopt active lifestyles. FitQuest coaches bring rowing machines to schools and youth centers, and reward participants with a free field trip to the Riversport Adventure Park.
Oklahoma State Department of Health Oklahoma City, OK https://www.ok.gov/health/Wellness/FITNESSGRAM/index.html	FITNESSGRAM for Oklahoma Public Schools	FITNESSGRAM is a comprehensive educational, reporting and promotional tool used to assess physical fitness and physical activity levels for children. FITNESSGRAM software also features data management and statistical reporting tools that support data-driven decision making.
Oklahoma State University Foundation Stillwater, OK http://osugiving.com	Paint This Town Orange	Paint This Town Orange is a scholarship fundraising event that invests in the future of Oklahoma City by providing scholarship dollars for underserved students, including Health Science majors, and helping them become future leaders of our community.
oneHealth Miles City, MT http://www.onehealthmt.com	School Nurses Save Lives	oneHealth will provide children and families in Custer County with access to health professionals in schools in order to ensure the overall health in the community.
PediPlace Lewisville, TX http://www.pediplace.org	Enhancing Care through School Based Clinics	PediPlace seeks to increase the percentage of children who can access timely sick and preventive care. Their goal is to ensure that uninsured children and those with Medicaid or CHIP benefits receive timely, accessible and quality medical care needed to recover from illnesses and stay healthy with routine checkups and immunizations. This grant will help establish a part-time on-site school based PediPlace Pediatric Clinic in partnership with the Lewisville Independent School District.

Phoenix Center & Camp Phoenix Marble Falls, TX http://www.phoenixcentertexas.org	Community Mental Health: Children & Families	The Phoenix Center improves community health through preventative mental health care and healthy, supportive environments for children and families. All programs are designed by mental health professionals and registered yoga teachers to specifically meet the needs of children who have experienced trauma. In addition, intensive, evidence-based parenting interventions will be provided to improve the health of the whole family and future generations.
Playworks Education Energized Chicago, IL http://www.playworks.org/communities/illinois	Playworks Illinois: Coach, TeamUp, and Pro	Playworks' mission is to improve the health and well-being of children by increasing opportunities for physical activity and safe, meaningful play. Our program teaches students important skills like conflict resolution, teamwork and empathy on the playground and in the classroom, and our goal is to reach as many schools as possible in Illinois to help them achieve healthy play and empower them to continue the Playworks model on their own.
Reach Out and Read, Inc. Oklahoma City, OK http://www.reachoutandread.org	Reach Out and Read	Reach Out and Read is a pediatric literacy organization that partners with medical providers to give young children a foundation for success by incorporating books into pediatric care and encouraging families to read aloud together. This grant will provide 3,500 children from economically disadvantaged families in identified communities high quality, age-appropriate books at home and parents will receive literacy strategies.

St. Martin's Hospitality Center Albuquerque, NM www.smhc-nm.org	Project Blue Box 2017	St. Martin's will help reduce food insecurity for 120 low-income or no-income children and their families by providing weekly deliveries of food boxes containing nutritious, whole foods. Project Blue Box will thereby improve the health outcomes of the most vulnerable kids within their community while giving them the resources necessary to improve their academic performance.
Tarrant Area Food Bank Fort Worth, TX http://www.tafb.org	Food for Kids	Tarrant Area Food Bank's Food for Kids program is a targeted initiative to provide nutritious food and education through an integrated suite of programs, alleviating hunger and malnutrition while improving community health. The Food Bank will utilize partnerships with schools and other nonprofits to deliver food and education to underserved school children.
Texas CASA, Inc. Austin, TX http://www.texascasa.org	Advocacy for Children in Long-term Foster Care (Designated at PMC)	Texas CASA will continue the process of developing fully tested, replicable, practical materials or "Toolkit" for use statewide. The Toolkit will help CASA volunteers provide the best advocacy possible for children who are under the permanent managing conservatorship (PMC) of the state. The Toolkit will improve training and increase the number of volunteers working with some of the most vulnerable children in Texas.
Texas Health Institute Austin, TX http://www.texashealthinstitute.org	Southern Obesity Summit	The Texas Health Institute's Southern Obesity Summit is a 16-state collective impact initiative and learning collaborative. It brings together a broad spectrum of organizations and individuals across the south. It allows them to network, learn about evidence-based practices and policies and share successes and challenges, so that they are better equipped to put effective programs and policies in place in their states.
Texas Medical Association Foundation Austin, TX http://www.tmaf.org	TMA's Hard Hats for Little Heads	Texas Medical Association Foundation's Hard Hats for Little Heads provides a free, properly fitted helmet, plus educational materials on healthy activities and behaviors to children across Texas. Special attention will be given to identifying low-income families and children.
The Board Of Trustees Of The University Of Illinois Chicago, IL http://www.midamericacphp.com	Cure Violence/CeaseFire Illinois South Shore Program	The South Shore CeaseFire violence prevention program will apply Cure Violence/CeaseFire's unique health-based approach to reduce shootings and homicides and increase engagement in positive, non-violent behaviors among those at highest risk, thereby creating a safer community living environment.
The Community Pantry Gallup, NM http://www.thecommunitypantry.org	Growing in a Greener World	Through this grant, The Community Pantry will be able to engage with community members of all ages, educating them on the purpose of healthy eating.
Thrive Bozeman, MT http://www.allthrive.org	Partnership Project to Strengthen Young Families	This grant will support Thrive's Partnership Project in providing wrap-around parent education and support to high-risk teen/young parents with children age 0-5. Through a unique collaboration between Thrive, Gallatin City-County Health, and network of high quality mental health and childcare provider, the Partnership Project produces proven results for both children and parents in a wide array of health and wellness areas.
Tulsa Community Foundation Tulsa, OK http://www.tulsacf.org	Tulsa's Gathering Place, LLC	This grant will help support the construction, maintenance and operations of A Gathering Place for Tulsa, LLC, a one hundred acre park along the Arkansas River in the center of Tulsa, OK.

United Independent School District Laredo, TX http://www.uisd.net	Let's Move for Scholars--5K Run and Zumbathon and Health Fair	This grant supports a 5K run/walk and Zumbathon that promote healthy lifestyles to employees, parents, students and the community while offering opportunities for these individuals to take part in a health fair and receive immunizations.
University of New Mexico Foundation Albuquerque, NM http://www.unmfund.org	Pediatricians on Wheels	Pediatric residents-in-training, in collaboration with the UNM Young Children's Health Center plan to deepen and enhance community engagement efforts by providing a range of programs requested by parents during community forums held across greater Albuquerque.
West Texas Food Bank Odessa, TX http://www.wtxfoodbank.org	Feeding Hungry Families	West Texas Food Bank (WTFB) partners with 75 nonprofit organizations and works to alleviate hunger in 19 counties of West Texas. WTFB procures, processes, sorts, repackages, and then distributes food to these partners to give to those in need. Over 5.5 million pounds of food is distributed annually to approximately 44,000 economically disadvantaged individuals.
Wichita Falls Area Food Bank Wichita Falls, TX http://wfab.org or www.emptybowlsf.org	Nutrition Education Services	The Wichita Falls Area Food Bank operates its Nutrition Education Services for food-insecure families in the food bank's 12-county service area. This funding will help maintain and expand current nutrition education activities that work toward creating healthier kids and families and reducing food insecurity.
Young Mens Christian Association Of Southeast Texas Port Arthur, TX http://www.ymcasetx.org	YMCA of Southeast Texas Diabetes Prevention Program	YMCA's evidence based Diabetes Prevention Program will improve the dietary behaviors and increase physical activity for adults who are at risk to develop type 2 diabetes.
Young Mens Educational Network Chicago, IL http://www.ymenchicago.com	The Chicago LOUP: Lawndale Organizations United for Peace	The Chicago LOUP brings together 4 collaborating agencies (YMEN, Lawndale Amachi Mentoring Program, Lawndale Christian Legal Center, and CWSCS School) to work to eradicate violence, build healthy environments and promote peace by creating four large-scale impact events and bring more than 50 neighborhood leaders together in a monthly relational-building cohort called the Lawndale Restorative Justice HUB.
Young Womens Christian Assn Helena, MT http://www.ywcahelena.org	Nutrition and Exercise for Life and Longevity (NELL)	The Women Initiating New Growth and Stability (WINGS) program is an intensive, research-based, trauma informed transitional housing program requiring each woman to commit to her own success. The Nutrition and Exercise for Life and Longevity (NELL) component will provide three healthy meals each day for the women and children in WINGS while teaching healthy meal planning, shopping, nutrition, cooking, portioning and other mindful food skills. NELL will also require each woman to set a weekly physical fitness goal for herself and her children.
Youth Organizations Umbrella Inc. Evanston, IL http://www.youevanston.com	Healthy Communities Initiative (HCI)	Building on the existing infrastructure of the Community Schools in Evanston and Skokie, HCI will coordinate resources from over 20 medical, dental, mental health and wellness institutions into these schools to offer free, accessible and effective health care access, nutritional support and behavioral health programming. These services will be provided during out-of-school hours and will be facilitated by Y.O.U., a community organization with a 45-year history of providing excellent service and forming deep trust among low-income families.
